

Cookie Policy

This website uses cookies to better the user's experience while visiting the website.

Cookies are small files saved to the users computers hard drive that track, save and store information about the users interactions and usage of the website. This allows the website, through it's server to provide the users with a tailored experience within this website.

Users are advised that if they wish to deny the use and saving of cookies from this website on to their computers hard drive they should take necessary steps within their web browsers security settings to block all cookies from this website.

Other cookies may be stored to your computers hard drive by external vendors when this website uses referral programs, sponsored links or adverts. Such cookies are used for conversion and referral tracking and typically expire after 30 days, though some may take longer. No personal information is stored, saved or collected.

Cookies are either:

Session cookies: these are only stored on your computer during your web session and are automatically deleted when you close your browser – they usually store an anonymous session ID allowing you to browse a website without having to log in to each page but they do not collect any personal data from your computer; or

Persistent cookies: a persistent cookie is stored as a file on your computer and it remains there when you close your web browser. The cookie can be read by the website that created it when you visit that website. We use persistent cookies for Good Analytics.
